

NOTICES OF PUBLIC INFORMATION

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rulemaking information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

NOTICE OF PUBLIC INFORMATION

OFFICE OF THE SECRETARY OF STATE

[M14-351]

1. The topic of public information in this notice:

The front cover (table of contents) of the November 21, 2014, issue of the *Administrative Register* incorrectly references four Notices of Substantive Policy Statements for the Board of Behavioral Health Examiners. While this issue of the *Register* correctly contains Notices of Substantive Policy Statement for the Department of Health Services (DHS), the table of contents should reference DHS. The notices start on page 3063 of the November 21 issue. The editor apologizes for the error and any confusion it may have caused. If there are any further questions pertaining to the availability of the above-referenced notices in the *Register*, please contact the editor at the email address below.

2. The name and address of agency personnel with whom persons may communicate regarding this notice of public information:
